- All tournaments are semi-tentative pending scheduling, interest and/or qualification.

- Some tournaments may require payments from families. More information will be available throughout the season.

All tournaments marked with “Bus *” will be dependent on student interest. We will not run a bus with only a small number of interested competitors or judges.

All other tournaments are “Self Drive.” Students and judges are responsible for arriving on time AND leaving on time. Failure to do so will result in consequences, including but not limited to removal from future tournaments. Report times will be announced at practices AND posted on Teams. Departure times will be announced at the tournament. It is our competitors’ responsibility to stay in communication with the coaches regarding these announcements and requirements. **Students are responsible for their own transportation to AND from the tournament arriving/departing ON TIME.**

**** Other tournaments are available, but would be the responsibility of the student to obtain funding, transportation, and/or information. Please see Ms. Burke or Ms. Testa with any questions.*
