

## Tournament Schedule 2020-2021 School Year

- All tournaments are semi-tentative pending scheduling, interest and/or qualification.
- Locals** are paid for by RHS and use school buses; *nationals* are overnights that require payment; individuals are totally student- and parent-sponsored.
- Team members are encouraged to look over the calendar at the start of the season, think about their goals and other commitments, and plan which tournaments to attend in advance.

A change for this year – We have listed both Byram Hills and Bronx Science as Team tournaments IF there is sufficient interest. If not, these tournaments will be individual tournaments, and therefore the financial responsibility of students and their families.
